(b) The school district shall contribute toward the cost of the premium for each eligible employee employed by the school district who qualifies for and is enrolled in individual coverage under the high deductible coverage option of the school district's health and hospitalization plan a monthly amount equal to the total monthly contribution identified in subsection (a) minus the monthly HSA contribution identified in subsection (c) and the monthly HSA administrative fees.

(c) The school district shall contribute an amount equal to one-half of the applicable deductible to the HSA of each eligible employee employed by the school district who qualifies for and is enrolled in individual coverage under the high deductible coverage option of the school district's health and hospitalization plan. Such contributions shall be made monthly on a pro rata basis. Such employees shall also be eligible, through the Flex Choice Plan, to make pre-tax contributions to the HSA via salary reduction. The school district shall select the vendor of the HSA to which such contributions shall be made. Once deposited in an employee's HSA, such contributions, whether made by the school district or via salary reduction, shall not be subject to restriction by the school district and the employee may access and/or transfer such funds to a different HSA to the fullest extent permitted by law. Such employees also shall be eligible to participate in a Limited Scope Health Care Reimbursement Plan through the Flex Choice Plan, which shall allow reimbursement of medical expenses to the fullest extent permitted by law for an individual receiving contribution to an HSA.

Subd. 5. Changes in Coverage under High Deductible Coverage: If an eligible employee who qualifies for and is enrolled in coverage under the high deductible coverage option of the school district's health and hospitalization plan changes the type of coverage during a calendar year (e.g., from individual coverage under the high deductible coverage option to family coverage under the high deductible coverage option; from family coverage under the high deductible coverage option to individual coverage under the high deductible coverage option; from family or individual coverage under the high deductible coverage option to no coverage under the high deductible coverage option), the school district's contribution to the employee's HSA shall change accordingly. The change in the amount of HSA contributions

shall be effective coincident with the change in the type of coverage under the high deductible coverage option.

Section 3. Dental Insurance:

Subd. 1. Individual Coverage: Effective July 1, 2022, School District shall contribute a sum not to exceed \$75 per month toward the cost of the premium for individual coverage for each eligible employee employed by the School District who qualifies for and is enrolled in the School District's dental insurance plan. Additional cost of the premium, if any, shall be borne by the employee and paid by payroll deduction.

Subd. 2. Dependent Coverage: Effective July 1, 2022, the School District shall contribute a sum not to exceed \$135 per month toward the cost of the premium for dependent coverage for each eligible employee employed by the School District who qualifies for and is enrolled in the School District's dental insurance plan. Any additional cost of the premium shall be borne by the employee and paid by payroll deduction.

Section 4. Group Income Protection: The School District will pay each month 100 percent of the current premium for income protection insurance for each full-time employee. The income protection plan shall include the following:

Subd. 1. Benefits begin after ninety (90) calendar days of total disability.

Subd. 2. The monthly income benefit shall be 662/3 percent of basic monthly earnings (exclusive of any additional compensation from this district or any other source).

Section 5. Life Insurance: The School District will pay each month 100 percent of the life insurance premium for a \$60,000 term-life insurance policy for each full-time employee with the individual employee effective July 1, 2022.

Section 6. Claims Against the School District: The parties agree that any description of insurance benefits contained in this Article is intended to be informational only and the eligibility of any employee for benefits shall be governed by the terms of the insurance policy purchased by the School District pursuant to this Article. It is further understood that the School District's only obligation is to purchase an insurance policy and pay such amounts as agreed herein and no claims shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

Section 7. Duration of Insurance Contribution: An employee is eligible for contributions as provided in this Article as long as he/she is a full-time employee of District No. 917. Upon termination of employment, all district contribution shall cease, effective on the last working day, except as specified in Subdivisions 1, 2, and 3 hereof.

Subd. 1. The School District shall continue its contribution to health and dental insurance costs for disabled employees until long term disability coverage becomes effective to a maximum of three (3) calendar months following the employee's last day of work.

Subd. 2. The School District shall continue its contribution to health and dental insurance costs for employees who retire pursuant to Article XVI of this agreement for three (3) calendar months following the employee's last day of work.

Subd. 3. An employee who resigns on or before the end of the academic school year, where the employee's resignation date is the last student contact day or during the extended school year (ESY) program shall be eligible during July and August for insurance benefits coverage

as defined in Article VIII, provided they have met the 1020 hour requirement defined in Section 8., Subd.1 of this article.

Section 8. Eligibility:

Subd. 1. To be eligible for the full benefits of this Article, employees must be a regular full-time employee employed at least 1020 hours per year. Employees employed for less than 1,020 hours per year but at least 510 hours per year shall be eligible for the benefits of this Article on a pro rata basis. Employees whose start of work date would preclude compliance with the hour requirement during the remainder of the regular academic year shall, nevertheless, be deemed to meet the hour requirement provided that their work schedule is such that hours of employment would have been attained had the employee begun work at the beginning of the academic year. Short-term or intermittent employees shall not be eligible for the benefits of this Article.

Subd. 2. Employees shall be eligible during the summer months insurance benefits coverage where the employee will continue to pay the employee contribution of the benefits costs while the District will continue to pay the District contribution as defined in Article VIII, if they have met the eligibility listed in Section 8, Subd. 1 of this article.

**ARTICLE IX
LEAVES OF ABSENCE**

Section 1. Sick Leave:

Subd. 1. All full-time employees in their first and second year of employment shall earn sick leave at the rate of one day for each month of service in the employment of the School District, which is equivalent to nine (9) days for each school year and beginning with their third year of employment shall earn sick leave at the rate of one and one-ninth (1-1/9) days for each month of service in the employ of the School District, which is equivalent to ten (10) days for each school year. All full-time employees shall be given a credit of nine (9) or ten (10) sick days at the beginning of each school year. While employees can access sick days immediately, since sick leave accrues for each month of service, should the employee leave the district or take a leave of absence, sick leave will be prorated up to the day they leave the district or go on a leave. Additional sick leave hours shall be awarded to employees working extended duty day assignments (exceeding 177 days/year), proportional to the number of additional days worked, rounded to the nearest hour. An employee on a medical or parental leave under this article shall retain their number of personal and sick leave days, and other accrued benefits, if any, earned up to the date that the employee went on leave for use during the employee's leave of absence, as noted in sections two (2) and three (3) of this article, and accrual will continue so long as the employee is using paid leave. No additional paid leave days, or other benefits shall accrue for the period of time that the employee is on unpaid leave. For purposes of this Subd. 1, summer school assignments are not considered extended duty day assignments.

Subd. 2. Unused sick leave days may accumulate without limit.

Subd. 3. After three (3) consecutive days of absence due to illness, or when there is probable cause to support the belief that an employee is misrepresenting the use of leave for illness, the District may require an employee to furnish a medical certificate from a qualified physician indicating the absence was due to illness or disability in order to qualify for sick leave pay. In the event that a medical certificate will be required, the employee will be so advised. The final determination as to the eligibility of an employee for sick leave is reserved to the School Board.

Subd. 4. Sick leave allowed shall be deducted from the accrued sick leave days earned by the employee.

Subd. 5. Sick leave pay shall be approved upon request.

Subd. 6. An employee may request use of hours from their current year's sick leave allocation for up to one (1) day of paid leave to be absent due to an unavoidable emergency situation. Emergency situations include events like transportation issues, unexpected home maintenance, unexpected lack of childcare. The use of such leave will be granted at the sole discretion of the superintendent or their designee and is not subject to the grievance procedures.

Subd. 7. An employee who is entitled to sick leave pay, who is then receiving Worker's Compensation, may not be paid sick leave pay in an amount greater than the difference between such Worker's Compensation and his/her basic salary.

Subd. 8. Each year it shall be the option of each bargaining unit member to contribute in (1) one hour increments up to (7) seven hours of personal leave to a work related workers' compensation sick leave bank. On or before June 1 of each year, the business office will electronically notify bargaining unit members to indicate whether or not they wish to contribute to the work related injury workers compensation sick leave bank. The leave bank shall be administered by the President or Vice President of the Association and the Superintendent. The work related injury workers' compensation sick leave bank shall be used for requests from unit members for up to three (3) days of pay if the injury is of such duration that it does not provide for a Minnesota Workers' compensation wage loss benefit. Eligibility decisions are not subject to the grievance procedures.

Subd. 9. Employees who use two or less sick leave days during the regular student school year will receive a \$100 stipend in their June 30 paycheck. An employee must have been employed prior to October 1 to be eligible for this stipend.

Section 2. Medical Leave:

Subd. 1. Personal Medical Leave of Absence: An employee who is unable to work because of a personal illness or disability may, upon written request to human resources per procedure outlined on the School District's website, be granted a medical leave of absence. Such leave shall run concurrently, that is at the same time, with Family Medical Leave Act (FMLA) provisions, if the employee is eligible under FMLA as noted in subdivision two (2) of this section. The employee's accrued paid leave must be exhausted before the employee transitions to an unpaid personal medical leave of absence.

Pregnancy Leave: The start of a personal physical disability absence for prenatal care, pregnancy, delivery, and recovery from childbirth shall be determined by the employee's physician. The end of a personal physical disability absence for childbirth shall also be determined by the employee's physician. This must be communicated to the School District in writing. Leaves extending beyond the physician's documentation shall fall under parental leave and may be eligible under the Family Medical Leave Act as noted in subdivision two (2) of this section or may be eligible for continued District contributions to insurance costs as noted in section six (6), subdivision two (2).

Subd. 2. Family Medical Leave of Absence: In accordance with the Family Medical Leave Act (FMLA), eligible employees are entitled to twelve (12) workweeks of unpaid leave within a rolling twelve (12)-month period. Non-contract days, such as non-duty days, shall not count toward the twelve (12) workweeks and accrued paid leave shall not be deducted.

a) FMLA Eligibility: Over the twelve (12) months prior to leave, employees must have been employed with the School District for at least twelve (12) months and worked 1,250 hours within the twelve (12)-month period preceding the leave. Any use of personal leave, sick leave, or unpaid time off (non-duty days) are not counted toward the 1,250-hour benchmark.

b) Pursuant to law, FMLA Leave shall be granted for any of the following reasons:

i. The employee's own serious health condition, as defined by the FMLA.

ii. The employee's need to care for an immediate family member (spouse, child, parent) with a serious health condition, as defined by the FMLA.

iii. The placement (adoption or foster care) or birth of a child up to one year after the child's birth or placement.

c) FMLA Leave will run concurrently, that is at the same time, with any paid leave and any and all of the employee's accrued paid leave must be exhausted before the employee transitions to an unpaid leave of absence.

d) Spouses who work for the School District shall be allowed a combined total of twelve (12) weeks unpaid FMLA leave during any twelve (12)-month period for the birth or adoption of a child, or to care for a parent's serious health condition. However, the combined limitation does not apply to FMLA leave taken by one spouse in the School District to care for the other spouse in the School District.

Subd. 3. Notification and Request for Medical Leave: An employee must give written notice to human resources requesting a medical leave of absence at least three (3) calendar months before the beginning of the requested medical leave or within 24 hours of receipt of notice of arrival of an adopted child, if notice is received less than three (3) calendar months before the leave start date, or as soon as possible following the onset of a serious health condition. The request for medical leave shall adhere to procedure outlined on the School District's website.

Subd. 4. Medical Verification: The employee shall be required to provide the School District with medical verification from a qualified healthcare provider for their own or the family member's serious health condition when requesting the leave of absence.

Subd. 5. Returning from Medical Leave: An employee on a medical leave of absence under this Section must notify human resources or his/her administrative designee in writing, five typically scheduled days of employment of their intention to return from leave.

a) If the employee is returning from a personal medical leave of absence, the employee must also provide medical verification from a qualified healthcare provider of the employee's release from medical restrictions allowing them to return to full capacity at work.

The employee may provide medical verification from a qualified healthcare provider of the employee's work restrictions due to the employee's serious medical condition, and the School District will attempt to accommodate those restrictions if possible.

b) Upon return from a medical leave, the employee shall be returned to the former position held from which the employee was granted the leave, or an equivalent position

should that position no longer be available or the School District determines the timing of the employee's return would interfere with student achievement.

Subd. 6. Probationary Period: Periods of time for which the employee is on medical leave may extend the employee's probationary period.

Section 3. Parental Leave:

Subd. 1. An employee shall be afforded a parental leave of absence of no more than twelve (12) months in duration for the care of a newborn child or an adopted child, provided that the employee is caring for the child on a full-time basis. The parental leave will run concurrently, that is at the same time, as family medical leave should the leave be an FMLA-qualified leave of absence, though the employee may be eligible for continued District contributions to insurance costs as noted in section six (6), subdivision two (2).

Subd. 2. Notification and Request for Parental Leave: An employee shall give written notice to human resources, per procedure outlined on the School District's website, requesting a parental leave of absence at least three (3) calendar months before the beginning of the requested leave or within 24 hours of receipt of notice of the arrival of an adopted child, if notice is received less than three (3) calendar months before the leave start date.

Subd. 3. Returning from Parental Leave: For partial school year leaves, an employee on a parental leave of absence under this Section must confirm with human resources his/her intention to return from parental leave at least two (2) weeks prior to his/her approved leave end date. For full-year leaves, an employee on a parental leave of absence under this Section must confirm with human resources or his/her administrative designee in writing, his/her intention to return from parental leave at least six (6) weeks prior to the end of his/her leave.

Upon return from a parental leave, the employee shall be returned to the former position held from which the employee was granted the leave, or an equivalent position should that position no longer be available or the School District determines the timing of the employee's return would interfere with student achievement.

Subd. 4. Failure of the employee to return from a parental leave pursuant to the agreed upon return date with the School District, may constitute job abandonment and be grounds for termination.

Subd. 5. Probationary Period: Periods of time for which the employee is on parental leave will extend the employee's probationary period.

Section 4. Civic Duty/Military Leave:

Subd. 1. Jury Duty: An employee summoned to serve on a jury may request to be excused from such jury service. Employees who are not excused will be permitted time off without the loss of pay contingent upon the employee reimbursing the School District any fees / per diem received from the court for said jury duty. Any allowable expenses reimbursed by the court, such as mileage, parking, and meals, may be retained and are the sole responsibility of the employee to seek through the court. The District shall assume no responsibility to seek reimbursement, nor pay reimbursement for said expenses.

Subd. 2. Subpoenaed Witness: An employee subpoenaed in cases involving the School District or students (e.g., a parent custody case) served within the School District, will be permitted time off without the loss of pay and will be allowed to retain any allowable

expenses reimbursed by the court. An employee subpoenaed in cases unrelated to the School District, will be permitted time off and use of paid or unpaid leave will be at the discretion of the Superintendent. Any allowable expenses reimbursed by the court, such as mileage, parking, and meals, may be retained and are the sole responsibility of the employee to seek through the court. The District shall assume no responsibility to seek reimbursement, nor pay reimbursement for said expenses.

Subd. 3. Military: Military leave shall be granted pursuant to State and Federal laws.

Section 5. General Unpaid Personal Leave:

Subd. 1. An employee shall be afforded a general unpaid personal leave of absence, subject to the provisions in this section and District policy 464, through written request from the employee to the Superintendent. Any leave within this section must also be approved by the School Board if it extends beyond five (5) days. The granting of such leave shall be at the sole discretion of the School Board.

A general leave may be granted by the School Board for extended personal illness, extended illness of the employee's immediate family member, additional educational requirements, or other reasons acceptable to the School Board.

Subd. 2. A general leave of absence pursuant to this section shall be leave without pay and the employee will not be permitted to use accrued leave to subsidize his/her general leave of absence.

Subd. 3. An employee on an approved general leave of absence for a full school year or the spring semester of the school year, shall notify the Superintendent in writing of his/her intention to return for the upcoming fiscal year no later than April 1 of the leave fiscal year. For partial school year leaves, an employee on a general leave of absence under this Section must notify the Superintendent in writing, of his/her intention to return from general leave at least one (1) month prior to his/her approved leave end date.

Section 6. Insurance Implications:

Subd. 1. Qualified FMLA Leaves: An employee on a leave under this article that qualifies per the Family Medical Leave Act (FMLA) is eligible to continue to participate in group insurance programs, if permitted under the insurance policy provisions, and shall continue to pay the employee contribution to the insurance premium for any month during which the FMLA-qualified leave falls.

Subd. 2. Pregnancy/Parental Leaves: For any employee who takes an approved pregnancy or parental leave under this article that does not qualify for Family Medical Leave Act (FMLA) and who has worked for the District for at least one calendar year, the District will continue to pay the District's contribution towards health insurance for up to eight (8) weeks of the leave, if the employee is on the District's health insurance plan, no matter if the employee is using paid or unpaid days. If the employee fails to return to work following the leave, the employee must refund the District the costs of the full insurance premium for any month in which the employee did not work at least one day.

Subd. 3. Other Leaves: For leaves under this article that do not qualify per the FMLA, the employee shall pay the full insurance premium (School District and employee contributions) for any month in which the employee does not work at least one (1) day.

Subd. 3. Payment: The employee is responsible for paying the School District business office the monthly amounts due for any insurance programs the employee wishes to retain in advance of the end of the corresponding month on such a date determined by the School District. However, the employee may elect to discontinue insurance programs. The right to continue participation in such group insurance programs shall automatically discontinue upon termination of employment, except as otherwise provided by law.

Subd. 4. If the injury is related to the work assignment, an employer and active employee's insurance contribution will continue during a qualified workers compensation injury.

Section 7. Accrued Benefits:

Subd. 1. Employees on Medical or Parental Leaves: An employee on a medical or parental leave under this article shall retain his/her number of personal and sick leave days, and other accrued benefits, if any, up to the date that the employee went on leave for use during the employee's leave of absence, as noted in sections two (2) and three (3) of this article, and accrual will continue so long as the employee is using paid leave. No additional paid leave days, or other benefits shall accrue for the period of time that the employee is on unpaid leave.

Subd. 2. Employees on General Leaves: An employee on a general leave under this article shall retain his/her number of personal and sick leave days, and other accrued benefits, if any, up to the date that the employee went on leave for use upon the employee's return from leave. No additional paid leave days or other benefits shall accrue for the period that the employee is on unpaid leave.

Section 8. Failure to Return to Work from a Leave of Absence: Failure of the employee to return to work from a leave of absence pursuant to this Article shall constitute grounds for termination by the School District.

Section 9. Death and Illness:

Subd. 1. An employee may be granted up to five (5) days absence with pay due to the death of the employee's spouse, child, step-child, parent, brother, sister, parent-in-law, son-in-law, daughter-in-law, or grandchild. Up to three (3) days absence may be granted with pay for the death of the employee's grandparent, brother-in-law or sister-in-law, or significant person. The leave set forth in this section is non-accumulative and shall not be deducted from sick leave.

Subd. 2. Upon approval of the superintendent or his/her designee, an employee may be granted up to 160 hours per calendar year of accumulated sick leave for illness or injury, for the following: an employee's spouse, child, child over 18, step-child, grandchild, parent, grandparent, step-parent, sibling or significant person for which care is required for such reasonable period as the employee's attendance may be necessary. This leave will be granted under the same terms the employee is able to use sick leave benefits for their own illness. Time will be deducted from sick leave.

Subd. 3. Additional absence for severe illness or death for persons identified in Subd. 1 and Subd. 2 may be granted at the sole discretion of the superintendent whose decision is final and binding and is not subject to the grievance procedure.

Subd. 4. Absence for the severe illness or death of persons not designated in Subd. 1 or Subd. 2 may be granted at the sole discretion of the Superintendent, whose decision is final

and binding and is not subject to the grievance procedure. Time used in this subdivision will be deducted from the employee's sick leave.

Section 10. Personal Leave:

Subd. 1. Eligibility:

- (a) Effective July 1, 2022, employees will receive personal leave days per the following schedule:

In Year 1-3 of continuous employment 1 day
In Year 4-7 of continuous employment 2 days
In Year 8+ of continuous employment 3 days

Personal leave shall be allowed to accumulate to a total of five (5) days.

The first year of employment shall be defined as any days of employment prior to the last student day of the regular school calendar in the first employment agreement. The next regular school calendar becomes the second year of employment with each successive school calendar year adding to the years of employment.

- (b) Denial of requests for the use of personal leave by the immediate supervisor may be appealed to the Superintendent.

- (c) An employee may be granted leave without pay at the sole discretion of the superintendent, in accordance with school board policy.

Subd. 2. The use of a personal leave day is subject to the approval of the School District to ensure a minimum of disruption for the educational program. Accordingly, the following limitations shall apply:

- (a) A personal leave day normally shall not be granted for the day preceding or the day following holidays or vacation periods and the first and last ten (10) duty days of the school year. (When the licensed staff duty day calendar includes a staff inservice or conference day, the day preceding, or the day following are eligible for use of personal leave.)

- (b) Personal leave requests may be denied on a particular day, if other employees in the same bargaining unit have already been granted personal or emergency leave which would be disruptive to the functioning of the particular program. In addition, personal leave requests will not be approved on any day which would exceed five percent (5%) of the total bargaining unit.

Subd. 3. At the beginning of each contract year, employees will be credited with the number of days of personal leave specified in Subd. 1, herein. Those employees who have accumulated three (3) days of personal leave or more prior to the beginning of any contract year shall receive a lump sum payment of \$75.00 for each day beyond five for which they become eligible in lieu of being granted additional days beyond five. Part time employees as defined in Section 11 of this Article IX shall be paid a pro rata portion of the \$75.00 per day based upon the number of hours worked per year with 1020 hours per year constituting full-time.

Subd. 4. Employees who are assigned to extended duty days as defined in Section 1, Subd.1, of this Article IX, shall earn additional personal leave days on a pro rata basis

consistent with the number of additional days of assignment. The calculation of additional days will be based upon the actual days worked in the preceding school year (July 1 through June 30) and the number of years of service. The additional personal leave days earned will accrue to the employee in the following year. Additional time will be calculated to the nearest hour.

Subd. 5. Personal leave must normally be requested three (3) business days in advance or as soon as known. All requests with less than a three (3) business day notice will need to include the reason for the request of personal leave. Personal leave may be granted in increments of less than one full workday if approved by District designee.

Subd. 6. Personal leave accrued on the books at the time of an employee's separation from the district due to a reduction in force that is caused by an elimination of programs or reduction in enrollment shall be reimbursed to the employee at the current substitute program assistant rate of pay.

ARTICLE X PROBATIONARY PERIOD

Section 1. Probationary Period: An employee, under the provisions of this Agreement, hired before February 28, 2021, has met the probationary requirement. An employee, under the provisions of this Agreement, hired on or after February 28, 2021 and on or before June 30, 2022 shall serve a probationary period that will end on February 28, 2023, during which time the School District shall have the unqualified right to suspend without pay, discharge, or otherwise discipline such an employee. An employee, under the provisions of this Agreement, hired on or after July 1, 2022, shall serve a probationary period of one (1) calendar year from the date of continuous hire, during which time the School District shall have the unqualified right to suspend without pay, discharge, or otherwise discipline such an employee. During the probationary period, the employee will receive two (2) performance appraisals during each continuous year of employment using the District's procedures. The first appraisal shall occur prior to December 15 and the second will occur prior to April 15. Probationary employees hired mid-year will receive two (2) performance appraisals prior to their one-year employment anniversary, as close to the December 15 and April 15 dates as practicable and no later than 30 calendar days before their one-year employment anniversary.

Section 2. Completion of Probationary Period: An employee who has completed the probationary period may be suspended without pay, discharged, or disciplined only for just cause by the School District subject to the grievance procedure.

ARTICLE XI EMPLOYEE SUPERVISION

Section 1. Employee Improvement Plans:

Subd. 1. Prior to formal or informal disciplinary procedures being employed in cases of minor misconduct or in cases where the behavior or poor performance does not constitute a serious infraction of the contract, district policies, rules or directives of superiors, the school district may, in its discretion, attempt to improve an employee's performance and/or correct an employee's behavior by implementing an "employee improvement plan."

Subd. 2. The purpose of an employee improvement plan is to improve the employee's performance up to the standards and expectations of the school district. Should the employee fail to raise his/her level of performance to the school district's expectations, or the

behavior issues continue the school district may resort to the disciplinary measures delineated in Section 2 of this Article.

Subd. 3. All employee improvement plans will be placed in the employee's personnel file along with any notations as to the employee's progress in improving performance. If requested by the employee, and by agreement with the supervisor, a letter of acceptable performance on the concerns in the improvement plan will be placed in the employee's file.

Section 2. Employee Discipline:

Subd. 1. Employee discipline is the school district's process for assuring compliance with the terms and conditions of the collective bargaining agreement, Board policies and rules, directives issued by the employee's supervisors or other administrators, and generally accepted norms of behavior. Discipline is intended to correct unacceptable behavior and improve performance. The school district shall render disciplinary measures only for just cause and shall ensure that employee rights to "due process" are protected.

Subd. 2. Warnings and Reprimands: The school district shall typically follow a progressive discipline approach as outlined in this Article depending upon the gravity of the misconduct or the level of performance issues. The school district may, at its sole discretion, move immediately to a higher level of discipline, depending upon the severity of the misconduct or lack of performance.

(a) Non-Disciplinary Warning or Counseling: Oral or verbal warnings or counseling may be issued to employees in the event of relatively minor infractions. Warnings or counseling, regardless of being written or verbal are not disciplinary and are not grievable under Article XIV of this Agreement. An oral warning or counseling may be documented in the employee's official personnel file pursuant to the school district's sole discretion.

(b) Written Reprimand: Written reprimands (Notices of Deficiency) may be issued by the school district for more serious misconduct or when warnings or counseling have not corrected the employee's behavior or performance. Written reprimands will be placed in the employee's official personnel file. Employees may respond in writing to written reprimands and such responses shall be placed in the employee's official personnel file. Written reprimands are disciplinary in nature and may be grieved under Article XIV of this Agreement. The standards of review of a written reprimand is whether or not the written reprimand is false or inaccurate or is without just cause. Any written reprimand found through the grievance procedure to be false or inaccurate or without just cause will be expunged from the employee's official personnel file.

Subd. 3. Suspension Without Pay: An employee may be suspended without pay for just cause as described in this Article XI, Subd. 1. Suspension without pay is disciplinary in nature and is subject to the grievance procedure under Article XIV of this Agreement. In keeping with the just cause standard, an employee may be suspended without pay when other disciplinary measures have been applied without sufficient positive result, or immediately for violations of District policies or directives that warrant such discipline.

Suspension without pay shall take effect upon written notification from the Superintendent of Schools to the employee stating the grounds for suspension without pay. The employee shall have the right to invoke the grievance procedures set forth in Article XIV of this Agreement at the arbitration level provided written notification requesting arbitration is received by the superintendent within twenty (20) days after receipt of the written notice of suspension.

The suspension without pay shall take effect upon receipt by the employee of the written notice of suspension without pay or shall take effect as otherwise indicated in the written

notice of suspension without pay. The suspension without pay shall continue in effect for the time period provided in the written notice of suspension without pay or as otherwise decided by the school board, but not to exceed a period of thirty (30) workdays.

Subd. 4. Termination for Cause: An employee who has passed the probationary period may be terminated for just cause.

A termination of employment is disciplinary in nature and is subject to the grievance procedure under Article XIV of this Agreement. In keeping with the just cause standard, an employee's employment may be terminated when other disciplinary measures have been applied without sufficient positive result, or immediate violations of District policies or directors that warrant such discipline.

Subd. 5. Paid Administrative Leave: An employee may be put on a paid administrative leave during an investigation at the discretion of the District. A paid administrative leave is not grievable pursuant to Article XIV of this Agreement. If the investigation results in a disciplinary suspension without pay, the employee's unpaid suspension time will not be retroactive to the start of paid administrative leave without mutual agreement. Further, previously scheduled absences will be honored during paid administrative leave.

ARTICLE XII SENIORITY

Section 1. Seniority: The parties recognize the principle of seniority within classification in the application of this Agreement concerning reduction (layoff) or increase in force, and reduction of working time, within qualification areas as defined by the School District. For purposes of this Article, the School District reserves the right to define reasonable qualifications within respective programs, program skills, position, and job description. The exercise of seniority, therefore, shall be subject to the employee's qualifications within said areas. The parties agree that Program Assistants, Classroom Assistants, and Intervener Assistants constitute separate seniority classifications and accordingly, a separate seniority list will be provided for each individual classification. An employee will have rights only within their particular seniority classification under the provisions of this Article.

Section 2. Seniority Date: For purposes of this article, an employee's seniority date shall be the first workday of continuous employment with the School District. An employee shall acquire a seniority date upon completion of the probationary period as defined in this Agreement and upon acquiring seniority. If more than one employee has the same seniority date, the tie in seniority shall be broken by lot. If an employee changes their assistant assignment their seniority date remains the first workday of continuous employment with the School District for the purpose of seniority date and placement on seniority list.

Subd. 1. An employee covered under this Article in the contract agreement may challenge their placement order (credit) on their District Seniority list. The challenge must be submitted to the office of Human Resources and Local 4242 in writing. The District will respond in writing to the employee, within 10 business days of receiving the challenge, with documented verification of first work day of continuous employment. Subd. 1 is subject to Article XIV Grievance Procedure.

Section 3. Loss of Seniority: An employee shall lose his/her seniority standing upon written resignation of employment, discharge for cause, or after a twelve (12) month continuous lay off, as defined in Section 1, hereof.

Subd. 1. Employees projected to be affected by a reduction in force (layoff) will be notified by their immediate supervisor as soon as practicable. Official notice of ending date of employment will be sent to employee from the school district by certified mail.

Subd. 2. Employees shall be identified for reduction in force (layoff) in inverse order of seniority.

Subd. 3. An employee terminated for reduction in force (layoff), may provide the office of human resource his/her name with mailing address to receive notice of availability of positions for recall. The employee is responsible for providing current mailing address for twelve (12) months when requesting job openings through district mailings.

Section 4. Seniority Lists: Seniority lists shall be published no later than February 15 each year. The list shall indicate the employees' seniority date. The list shall be posted at each school facility where possible.

Section 5: Recall:

Subd. 1. No new employees will be employed by the School District while a qualified employee is on recall for a reduction in force (layoff) as defined in Section 1 hereof. The order of recall will be determined by the seniority order of persons on recall who meet qualifications as defined in Section 1, hereof. An employee terminated due to reduction in force (layoff) shall have recall rights until June 30th of the following fiscal year.

Subd. 2. Notice of recall will be sent by certified mail to the most current address the employee has provided on file and will include program, site, hours and assignment title.

Subd. 3. The employee will have 14 calendar days upon receipt of mailing to notify the School District of acceptance of position and reinstatement of employment.

Subd. 4. If recalled by the District within 12 months (365 days) after the date of layoff, seniority date will be the seniority date at time of reduction in force (layoff). Article XII is subject to Article XIV Grievance Procedure.

**ARTICLE XIII
OTHER BENEFITS**

Section 1. The School District agrees to reimburse for tuitions, fees, membership and association fees which are approved in accordance with District Policy 486.

Section 2. Travel Expense: Employees required by the School District to use their own vehicles in the performance of their duties shall be reimbursed for such travel at the rate as prescribed by School Board policy.

**ARTICLE XIV
GRIEVANCE PROCEDURE**

Section 1. Grievance Definition: A "grievance" shall mean an allegation by an employee(s) resulting in a dispute or disagreement between the employee(s) and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative: The employee, administrator or School District may be represented during any step of the procedure by any person or agent designated by such parties to this Agreement to act in their behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to calendar days.

Subd. 3. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and specific provision of the Agreement allegedly violated, and the particular relief sought within twenty-five (25) days after the date of notification of the event the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

Section 5. Adjustments of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the School District designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within fifteen (15) days after receipt of the decision in Level I. If a grievance is properly appealed to the superintendent, the superintendent or his/her designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting the superintendent or his/her designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board, or its representative notifies the parties of its intention to review within ten (10) days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance: Failure by the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein.

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the superintendent within ten (10) days following the decision in Level II or School Board review, whichever is applicable, of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Bureau of Mediation Services to appoint an arbitrator pursuant to M.S. § 179.70, Subd. 4, providing such request is made within twenty (20) days after the request for arbitration. The request shall ask that the appointment be made within thirty (30) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Bureau of Mediation Services within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such a person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties; subject, however, to the limitations of arbitration decisions as provided in the PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party or if the request is mutual, the cost shall be shared. The parties shall share equally fees and expenses of the arbitrator and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters limited or excluded by PELRA of 1971.

Section 9. Grievance Form: A form which must be used for filing grievances shall be provided by the School District (Attachment C). Such form shall be readily accessible in all school buildings.

Section 10. Election of Remedies and Waiver: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the employee shall waive his/her right to initiate a grievance pursuant to this Article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.

ARTICLE XV TRANSFERS, VACANCIES, AND JOB POSTING

Transfer, in the context of this article, means the change in work location within Intermediate School District #917's various program sites. All transfers shall be documented in writing. A change in work assignment at the same work location is not considered a transfer under this article and is a management prerogative.

Section 1. Daily Job Site Transfer Request: For purposes of this section, a daily job site transfer request of an employee is one that is made by an administrator when there is a need on a particular day or days due to employee absences or other extenuating needs in a classroom outside of the building normally assigned. An employee may be requested to provide job coverage at a site other than their regular assigned building. When possible, an employee will be notified the day before a transfer is needed. If an assignment is expected to go beyond a day, the employee will be informed of the estimated number of days of the assignment, if known. A change of work assignment at the regular assigned building is not considered a daily job site transfer request.

Subd. 1. The employee's regular assignment work times will remain the same unless the employee and administrator mutually agree to a change in times. Hours worked that exceed the regular assignment work times will be submitted on an employee time sheet.

Subd. 2. In the event the employee's drive time from the temporary job site will exceed the normal end of day drive time and this creates a hardship for the employee, by mutual agreement with the administrator, the employee may be allowed to leave the temporary job site before the temporary job sites normal workday end time.

Subd. 3. Employee's working a daily job site transfer request will be reimbursed for mileage based on the round-trip miles from their regular assignment job site to the temporary job site in accordance with District Policy 412 and submission on the District Mileage Request Form. If an employee's personal vehicle is not available for travel and alternative transportation options are not possible, there will be no retribution given to the employee.

Subd. 4. Job duties at a temporary job site that require specialized training will not be expected to be performed by an employee who has not received such training. When an employee has concerns regarding their ability to meet the program needs of a temporary job site assignment, these concerns should be shared with the administrator making the request. There will be no retribution given to an employee who is not trained for the duties of other sites.

Section 2. Involuntary Transfers: Notice of involuntary transfer shall be given to the employees of the department involved as soon as practicable. A list of open bargaining unit positions in the school district shall be made available to all employees being involuntarily transferred or reassigned. Such employees may apply for positions in order of preference to which they desire to be transferred.

Section 3. Decision:

Subd. 1. The involuntary transfer will be given to the least senior employee in the site/program, whenever possible subject to the provisions of Subdivisions 2 through 4, below.

Subd. 2. Programmatic considerations, employee qualifications, employee preference, and seniority shall be used by the school district when filling vacancies and rotating or transferring staff.

Subd. 3. Staff not selected for vacant or open positions or staff being involuntarily reassigned shall, upon written request, be afforded an opportunity to meet with the Superintendent regarding such decision.

Subd. 4. Notwithstanding the provisions of this Article, it is understood and agreed that the final choice relating to staffing decisions remains in the discretion of the School District.

Section 4. Voluntary Transfers: Voluntary transfers shall be available to all employees based on the qualifications of the individual and the needs of the district.

Subd. 1. Employees shall have the right to apply for open positions within the District for which they are qualified. Qualification shall be determined by the skills, experience, performance of the individual applying, and the requirements of the position applied for. The District shall determine the qualifications required. When qualifications are equal, seniority shall be the deciding factor between several applicants. The District shall inform the union president by email as soon as the position is filled, stating employee name, program assignment, site location, hours and salary.

Subd. 2. Any employee who wishes to be considered for a transfer to a location or program when an opening is posted must apply through the District's application system. Consideration will be given to these requests based upon criteria described in Subd. 1 above and the needs of the district. When qualifications are equal, seniority shall be considered.

Subd. 3. Notwithstanding the provisions of this Article, it is understood and agreed that the final choice relating to staffing decisions remains in the discretion of the school district.

Section 5. Definition, Vacancies and Job Posting: For purposes of this section, a regular vacancy is defined as one anticipated to last for more than one school year when an employee is to be added in the bargaining unit, the allocation of additional employees, or a regular position becomes available due to an employee leaving. The posting requirement shall not apply when the district is making administrative transfers or reassignments within the bargaining unit.

Vacancies for bargaining unit positions shall be posted on the district website and a notice will be sent to each employee's school email. Positions will be posted for a minimum of five working days before the position is permanently filled. Each posting will include the position, hours, site assignment if known, and program assignment. Employee access to district computers will be provided during the normal workday and conditions for use are set forth in School District Policy.

Section 6. New positions or extended day/hour positions: In instances where positions providing additional hours or additional days of work or continuous employment are to be filled, preference for these positions shall be given first to the most senior qualified person applying within the program area of their normal assignment (ex: TESA within TESA) and then to the most senior qualified person applying within 917.)

Section 7. Application for Vacancies: To be considered for a vacancy posted under this Agreement, an employee must submit an application in writing.

Section 8. Mailed Notice: Employees of the unit desiring to be personally notified of any vacancies occurring within the unit must provide the personnel office with a stamped, self-addressed envelope. If such an envelope is on file when a vacancy is posted, the School District will forward the vacancy notice to the employee.

ARTICLE XVI SEVERANCE/EARLY RETIREMENT

Section 1. Retiree Health Coverage: Health coverage following the termination of employment shall be made available to the extent required under, and in accordance with, Minnesota Statutes Section 471.61, subd. 2b. The District makes no contribution towards the premium cost of such coverage.

Section 2. Cut-off Date: The benefits of this article shall not apply to a member of this group employed after July 1, 2005.

Section 3. Eligibility: Employees who have completed at least fifteen (15) years of continuous (to be defined as including any leave approved under other sections of this contract) employment with the School District, and who are at least fifty-five (55) years of age or have completed thirty (30) years of continuous employment shall be eligible for severance pay pursuant to the provisions of this Article upon submission of a written resignation accepted by the School Board. Severance pay shall not be granted to any employee who is discharged for cause by the School District. This Article shall apply only to employees who retire after the execution of this contract and shall not be retroactive to any employee who retired prior to said execution date.

Section 4. Amount of Severance: Eligible employees, upon retirement, shall receive as severance pay unused sick leave days, not to exceed thirty-five (35) days.

Section 5. Notice: To be eligible for the benefits of this section, unless waived by the School District, an employee must notify the School District not less than 45 calendar days prior to the proposed retirement date.

Section 6. Method of Pay-Out:

- (a) Subject to the limitations listed below, the school district will contribute an amount equal to the value of the employee's severance pay directly into the School Board approved 403 (b) vendor account. The retiree will not receive any direct payment from the school district for the severance pay.
- (b) The school district's annual contribution into the School Board approved 403 (b) vendor account must not exceed the IRS contribution limit. If the amount calculated in "A" exceeds the available limits in the year of separation, the excess amount will be paid out in cash and not be tax sheltered.
- (c) The school district contribution(s) into the approved 403 (b) vendor account will be made according to the same timeline as was provided for the direct payment of the severance pay.
- (d) The school district will make the severance pay contributions to the School Board approved 403 (b) vendor. For purposes of calculating the maximum deferral limit, the school

district will provide the retiree of approved vendors with contribution information for the previous twelve (12) months of employment. The vendor had agreed to calculate the maximum deferral limit.

(e) If an employee eligible for this benefit dies before terminating employment, the benefit will be paid to the estate of the deceased.

**ARTICLE XVII
403(b) MATCHING CONTRIBUTION PLAN**

Section 1. Eligibility: To be eligible for this contribution, an employee must be regularly employed at least 1,020 hours during the contract year, and such benefits shall not apply to employees employed for a lesser time or substitute employees. An employee must be in their second school year and thus will be eligible for an employer contribution in the employee’s second year of service. The first year of employment shall be defined as any days of employment prior to the last student day of the regular school calendar in the first employment agreement. The next regular school calendar becomes the second year of employment with each successive school calendar year adding to the years of employment.

Section 2. Contribution: Effective July 1, 2022, the school district will contribute up to a maximum as listed in the following schedule, according to year of service.

Section 4. Unpaid Leaves: Employees on unpaid leaves may not participate in the matching program while on leave.

Section 5. Matching Requirement: The School District's contribution, for the matching portion of Section 2, shall not exceed the employee's matching contribution.
