Dear Parent/Guardian:

Our school offers healthy meals each day. Starting for the school year 2023-2024, we are joining Minnesota's Free School Meals Program. All students are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each school day. Second meals may be purchased at these prices: Breakfast: \$2.23, Lunch: \$3.86, Milk: \$.45.

Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Our school is eligible to receive additional state and federal funds based on the number and/or percentage of students enrolled who reside in households that meet established federal income guidelines. This data is reported to the Minnesota Department of Education based on applications provided by each household. The Application for Educational Benefits and instructions on how to complete it are attached. A new application must be submitted each year. Your application also helps our school qualify for education funds and discounts.

Return your completed Application for Educational Benefits to:
Kristin Kustrich, ISD 917, 1300 145th Street East, Rosemount MN 55068
Email: kristin.kustrich@isd917.org or Fax: 651-423-8776

Automatic Eligibility: Households with children participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster children automatically meet the federal income guidelines and do not need to report household income. Foster children who are the legal responsibility of a foster care agency or court are eligible for free meals regardless of household income.

Household Members: Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends). Include a household member who is temporarily away, such as a college student.

Households that include non-U.S. citizens may be eligible to generate additional revenue for our school and should complete the Alternate Application for Educational Benefits.

Variable Income: List the amount that you normally get. If you normally get overtime, include it, but not if you get it only sometimes.

Information you provide on the form, and your child's income status will be protected as private data. See the back page of the Alternate Application for Educational Benefits for more information about how the information is used.

Verification: The information may be checked, and we may also ask you to send written proof. If you have other questions or need help, call 651-423-8255.

Sincerely,

Melissa Schaller, Executive Director of Student Services

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

At public school districts, each student’s school meal status also is recorded on a statewide computer system used to report student data to MDE as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state’s educational program.
